ACCIDENT INSURANCE

DOCUMENTS TO BE CONSULTED TO COMPLETE AN ACCIDENT CLAIM UNDER THE
« SERVICES / INSURANCE » TAB :

- **Safety Requires Teamwork (page 42 through 50)**
- **Hockey Canada's Injury Report (French – English)**

Procedure to be used to complete a Hockey Canada Injury Report:

1. Download the Hockey Canada injury report that you will find on the website at hockey.qc.ca in the "Documentation / Complete documentation / Insurance / Hockey Canada injury report" tab. Complete and sign the form if the injured person is of legal age. If the injured person is a minor, the signature by one of the parents is mandatory. The injury report opens the member's file with Hockey Canada Injury Insurance. You have 90 days to send us the injury report (all sections, pages and questions must be completed). Have a team representative sign the report (Manager, Head-Coach, Assistant-Coach or others in the Association or Organization).
2. Have one of the team representatives (manager, head coach or other people from the association or organization) sign.

Complete the Health Insurance Information section:

If one of the parents has group insurance with their employer, they must first file a claim with their insurance company, even if the costs are not covered by their primary insurer.

He must send us the response from his primary insurer (amount submitted and amounts paid) WITH a copy of all invoices. You must correctly tell us the surname, first name and date of birth of the injured person. Hockey Canada will reimburse the difference in costs that are not covered by your primary insurance up to the limits set by the policy. Hockey Canada is a supplementary insurer under the Health Benefits Trust Program (Major Medical and Dental Expenses). You have one year from the date of the injury to send us all claims related to said injury.

If the parents do not have personal group insurance, they must send us by email, the injury report duly completed and the invoices. Hockey Canada then becomes the primary insurer. You have one year from the date of the injury to send us all claims related to said injury.

IMPORTANT :

- **IF YOU REQUIRED THE SERVICES OF AN AMBULANCE, YOU MUST PAY THE INVOICE UPON RECEPTION.**
- **HOCKEY CANADA'S INSURANCE DOES NOT COVER ANY HOCKEY EQUIPMENT (PANTS, JERSEY, ETC).**
- Only injury reports received by Hockey Québec, by mail or by email (assurances@hockey.qc.ca) within 90 days of the date of the accident will be accepted.
- Hockey Canada does not cover fees charged by private clinics MRI / Medical such as hospital services for which benefits are not provided by any Health Insurance Plan by the Federal or Provincial Government administered by the Province in which the insured person resides, whether or not they are paid for.
